

Frame Running Competition Schedule Scotland 2022

Competition schedule below identifies and categorises national athletics competitions in Scotland which include Frame Running events. Please note that in addition to the national events listed below there are regional and local competitions, contact your local club for information.

To help you identify suitable competitions, competitions are grouped into the following categorisations:

Development Competitions: Open to all Frame Running athletes, both recreational and competitive. From first time competitors to the very experienced, from the very young to the not so young.

Intermediate Competitions: Open primarily to classified and athletes awaiting classification. Other athletes wishing to enter to contact Pamela Robson, Scottish Athletics.

Performance Competitions: Open to classified athletes. Athletes awaiting classification wishing to enter to contact Pamela Robson, Scottish Athletics.

The WPA column below denotes World Para Athletics (WPA) recognised ranking events. The attached Development and Competitive Pathways diagram provides an overview of the pathways available to Scottish Frame Running athletes.
